SUBJECTS

Acetylcholine metabolism
Enzymes of, in rat cochlea, 409
N-Acetylcysteine
Effects of, on experimentally induced esophageal lye injury, 477
Acoustic impedance
Recording methods of, suppl 120:25
Acoustic reflex
Ipsilateral, in infants, 145
Adenoids
Tonsils and adenoidectomy, effect of (with and without tonsillectomy) on eustachian tube function, suppl 120:42
Aerodigestive tract
Complications, delayed, following combined therapy for thyroid cancer, 505
Airway obstruction
Cleft larynx with, 622
Differentiating upper from lower airway compromise in neonates, 509
Epiglottic cyst, 473
Sleep apnea in Hurler and Hunter syndromes and, 458
Allergy
Histamine H1 receptors and affinity analyses in human nasal mucosa in nasal, 186
Anastomosis
Cricoid resection and thyrotracheal, in growing primate, 631
Androgen stimulation
Laryngeal development and, 634
Anesthesia, topical
Conscious sedation for procedures under local or, 21
Angiosarcoma
Laryngeal, 93
Antihistamines
Histamine antagonists, unusual effects on canine nasal blood vessels, 313
Antiplasmin
Antiplasminogen activator and activities in serous middle ear effusions, 293
Antiplasminogen activator
Antiplasmin and, activities in serous middle ear effusions, 293
Arcuate eminence
Topographic orientation in middle cranial fossa surgery, 25
Aspiration
Head and neck surgical patients, 373
Management of chronic, by subtotal, submucosal cricoid resection, 580
Rigid transbronchial needle, biopsy for histological specimens, 382
Atresia
Choanal, evaluation of, 429
Auditory brain stem potentials
Monitoring during profound hypothermia and circulatory arrest, 281

Recorded at different scalp locations in neonates and adults, 236

Bell's palsy
Pediatric, 331
Bone resorption
Cathepsin activity in cholesteatoma, 309
Effects of pressure in middle ear of rats, 60
Pressure-induced, in middle ear, 165
Books Received, 330, 525
Book Reviews
Baloh RW, *Dizziness, hearing loss, and tinnitus: the essentials of neurotology*, 527
Drug information for the health care provider and advice for the patient, 526
Gibb AC, Smith MFW, *Otology*, 98
Goodglass H, Kaplan E, *The assessment of aphasia and related disorders*, 528
Grote JJ, *Biomaterials in otology: proceedings of the first international symposium 'Biomaterials in Otology'*, April 21-23, 1983, Leiden, The Netherlands, 428
Hanafee WN, Mancuso AA, *Introductory workbook for CT of the head and neck*, 526
Hinchcliffe R, *Hearing and balance in the elderly*, 428
Ingham RJ, *Stuttering and behavior therapy*, 528
Jafek BW, Sasaki CG, *Atlas of head and neck surgery*, 526
Keidel WD, Finkenzeller P, *Cochlear implants in clinical use*, 526
Lucente FE, Sobol SM, *Essentials of otolaryngology*, 98
Lutman ME, Haggard MP, *Hearing science and hearing disorders*, 329
Miller MH, Silverman CA, *Occupational hearing conservation*, 98
Pfaltz CR, *New aspects of fundamental problems in laryngology and otology*, 527
Potter GD, *Symposium on CT of the ear, nose, and throat*, 528
Sasaki CT, McCabe BF, Kirchner JA, *Surgery of the skull base*, 329
Brain stem. See Auditory brain stem potentials.
Bronchomalacia
Neonatal, 466
Bronchoscopy
Limitations of bronchoscopic carbon dioxide laser surgery, 498
Therapeutic rigid, in neonatal intensive care unit, 462
Caloric screening test
Monothermal, warm water, efficacy of, 377
Carcinoma
Adenoid cystic, of nasopharynx, 269
Associated with Zenker's diverticulum (X-Ray Study of the Month), 324
Delayed aerodigestive tract complications following combined therapy for thyroid cancer, 505
Glottic, vocal function following carbon dioxide laser surgery for, 232
Head and neck squamous cell, assessment of immunocompetent cells in patients with, 342

- Inverted papilloma, malignant transformation in, 39
- Laryngeal, diagnosis and treatment of verrucous squamous cell: critical review, 575
- Laryngeal stenosis following carbon dioxide laser in subglottic hemangioma, 494
- Major salivary gland, multiple primary cancer risk in patients with, 129
- Nasopharyngeal, prognostic determinants and new view of staging for patients with, 529
- Neurotrophic, nerves and (Pathology Consultation), 426
- Selected early vocal cord, endoscopic management of, 560
- Squamous cell, of middle ear, 273
- Thyroid, in children and adolescents, 346
- Cathepsin activity. *See* Cholesteatoma
- Cholesteatoma
- Atelectasis, retraction pockets, and, suppl 120:49
 - Cathepsin activity in, 309
 - Squamous cell carcinoma of middle ear, 273
- Ciliary activity
- Middle ear lining in guinea pigs, 419
- Circulatory arrest
- Profound hypothermia and, brain stem auditory evoked potential monitoring during, 281
- Cleft larynx
- Airway obstruction and, 622
 - Management of, and tracheoesophageal clefts, 627
- Cleft palate
- Children, eustachian tube function in special populations, suppl 120:39
 - Histopathology of otitis media in infants with high-arched and, 44
- Clindamycin
- Phenoxymethylpenicillin and, on microflora in recurrent tonsillitis, 278
- Cochlea. *See* Ear, inner — cochlear division
- Cochlear blood flow
- Regional, studied by observation of microspheres in serial sections, 181
- Cochlear implant. *See* Implant, cochlear
- Collagens
- Modifications in course of inflammatory tracheal stenoses, 403
- Computed tomography
- Evaluation of middle ear and mastoid for posttraumatic hearing loss, 263
 - Labyrinthine otosclerosis studied with new technique, 223
- Cricothyroid joint
- Ankylosis in rheumatoid arthritis, new mobilization and laterofixation procedure for, 442
- Cricoid
- Resection, management of chronic aspiration by subtotal, submucosal, 580
 - Resection and thyrotracheal anastomosis in growing primate, 631
 - Split, anterior: "simple" surgical procedure and potentially complicated care problem, 445
- Cyst
- Epidermal, of temporal fossa: unusual complication of ear surgery, 162
 - Epiglottic, airway-obstructing, 473
 - Foregut, presenting as neck masses. Report on three children, 433
- Decannulation
- Pediatric, tidal flow measurement in, 454
- Ear, inner — cochlear division
- Age-related cochlear hair cell loss in chinchilla, 75
 - Antibody levels, effect of middle ear immune response on, 202
 - Cochlear vessel permeability to horseradish peroxidase in normal and acoustically traumatized chinchilla, 297
 - Damage to cochlea following interrupted exposure to low frequency noise, 122
 - Enzymes of acetylcholine metabolism in rat, 409
